### *Silloge Park Golf Club Information*

*In March of 2010, a new golf club was established at Silloge Park. Affiliation to the GUI and ILGU was quickly granted and for the first time Silloge Park had its very own golf club. It was the aim of Dublin City Council to provide a membership opportunity to the customers at Silloge Park that was friendly, professional and most of all exceptional value for money.*

*The new Silloge Park Golf Club is fully supported by Dublin City Council and is administered by a new committee, with the professional assistance of Target Golf Management. Since the launch date there has been terrific interest in the membership options available and the numbers continue to grow each week. Currently there are more than 200 members of Silloge Park Golf Club.*

*Martin Kennedy and Rita Glynn were chosen as the Club Captains for the inaugural year and their drive in took place on 25<sup>th</sup> April 2010. This kicked off the summer programme of competitions.*

*There is a busy schedule of events for members of the club. There are weekly completions on a Tuesday and Sunday and Over 55's on a Thursday. Recently a club match play has been launched and weekly evening competitions are due to commence shortly.*

*Despite only being in existence a couple of months the Silloge Park Golf Club have taken part in interclub competitions including the Metropolitan Cup, Leinster Fourball and Pierce Purcell Shield. The clubs hopes to continue competing and expand on the number of interclub competitions played in 2011.*
